INTRODUCTION.

In presenting this little volume to the people of Fitchburg and vicinity we have aimed to arrange in a form convenient for daily use such information as every one needs and desires. Abundant provision has been made for personal memoranda, and the reference matter may be easily found by consulting the index.

It is our purpose to issue another edition in the late fall, containing the R. R. time tables for the winter. Those wishing to insert advertisements for the Holidays may address the undersigned before Nov. 1.
